We play YOUR tunes

Hassle free because:

- We have an existing SMME database registered for development or provide YOUR own database.
- We manage the entire ESD development programme & provision of an auditable & claimable POE ready for review by Verification Agent (VA):
 - ED/SD Agreements
 - BBEE affidavits/certificates on correct template.
 - CIPC documentation.
 - ID
 - Acknowledgement of spend certificate.
 - 3rd Party fund management.
 - ED to SD graduation (if applicable).
 - Monitoring & evaluation: employee & turnover growth.
 - Provision of impact assessments (growth on baseline assessment on agreed growth evaluation categories).

We do all of this virtually on our [EXCHANGE VILLAGE](#)
