

INVITATION

Partnering in Business with Germany

The Department of Trade, Industry and Competition (**the dtic**) and the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) are jointly offering the Partnering in Business with Germany (PG) training programme, led by the German Federal Ministry for Economic Affairs and Climate Action.

This programme seeks to attract companies who wish to do business in Germany with a comprehensive corporate project targeting the German market for business. The programme intends to draw applications from different sectors, with priority given to companies operating in **Information Communication Technology (ICT), Energy, Agro processing (Health foods) and pharmaceuticals** sectors.

The programme also aims to help companies develop economic cooperation, and learn German business culture. Participating companies will have the opportunity to explore the German market, establish connections with German corporations and cultivate long-term partnerships.

The application form can be obtained directly from **the dtic** website:
